Re: 4th of July Flash Sale

The Outdoor GreatRoom will be introducing a 4th of July Flash Sale beginning June 16th. We will be giving 20% on several fire pit tables through email and social campaigns. If a customer comes in with an email or post showing the 20% off, you can match the price. OGC will give 10% credit on orders that need to be matched. To receive the credit, fill out the order tracking sheet and attach a copy of the invoice.

Orders received on our website will be reviewed and if a premier trade partner is located within 15 miles of the order, we will issue a credit of 15% of the order to the trade partner.

This campaign will go from June 16th – June 26th, 2023.

We are looking forward to moving product this season!

*To receive credit on the 4th of July Flash Sale promotion, please send in tracking and invoices to marketing@outdoorrooms.com by July 7th.
