

The Outdoor GreatRoom Company

To: Outdoor GreatRoom Trade Partners

Re: Outdoor Furniture

The Outdoor GreatRoom Company is the expert in outdoor fire and moving forward we want to continue to refine our craft and focus on creating the best fire features on the market. As a result, we will be phasing out the majority of our outdoor furniture by the end of October.

Products impacted by this decision include: Darian Teak Chat Chairs (DAR-CH), Empire Barstools (EMPIRE-BAR), and Leather Wicker Barstools (NAPLES-4030-L). The Darian Chairs are available only while supplies last.

As we are clearing out the barstools, we're offering a net cost of \$250 per set for all Trade Partners (shipping not included).

If you're interested in purchasing furniture, please place orders by emailing orders@outdoorrooms.com by October 27th.

OGC strives to create unique, cutting-edge fire tables that raise the industry's bar for design. This change to our product mix will help us to focus even more time and resources on creating innovative fire tables.

If you have additional questions about this change, please contact your OGC sales representative or send a note to sales@outdoorrooms.com. Thank you for your business and on-going partnership with us.
